REFUND POLICY

All applications for a full or partial refund of course money should be made in writing to the Principal of the School by the person/s who has the signed agreement with NEGS. The Principal should receive the refund application within seven days of either the student's failure to start the course or withdrawal from the course. Payment of any refund due will be made within four weeks of receiving the written application for refund.

If a refund is due, but no written application is received within two months of the agreed starting date or withdrawal date of the student, a cheque for the amount owing in Australian currency will be sent to the person who has a signed agreement with NEGS at their last known address.

If there are exceptional circumstances for a student's failure to start a course or withdrawal from a course, a written explanation of the circumstances, with supporting documentary evidence (if applicable), should be made to the Principal. In some cases, the Principal may approve a greater amount of refund than defined below. Each individual case will be decided on merit.

The Registration Fee paid with each Application for Registration is non-refundable and does not guarantee a place at NEGS.

Tuition or Tuition and Boarding Fees paid in advance are not refundable if:

- A student fails to comply with conditions of general enrolment at the School as outlined in the Enrolment Agreement after commencement at the School.
- · A student breaches the conditions of his/her visa as imposed by the Department of Immigrations and Citizenship (DIAC).
- · A student provides false or misleading information.
- A student is withdrawn by the parent / guardian after the start of the term prior to the term in which the student is to commence.

Whole or part refund of tuition or tuition and boarding fees paid will be refunded if:

- A student is refused a visa (100% refund applies).
- In the case of withdrawal, one Term's tuition or one term's tuition and one term's boarding fee will be charged if a student is withdrawn by the parent / guardian after the start of the term prior to the student leaving the School.

UNDERTAKING - Families should read the conditions of the Enrolment Agreement and Residential Agreement (if applicable), the Visa Compliance information Form and the General Regulations Outlined in the Family Handbook carefully before signing. The Student Diary provided to all students provides valuable information on an additional range of issues. I/we and our daughter have read, understood and agree to conform to the School regulations and conditions of enrolment.
